HILTON FAMILY YARD SALE- JUNE 24, 2017

The Hilton Family Yard Sale was another success this year. The map sales revenue was 119.00 and we had eleven participants. Paula picked up the signs after the sale and everyone she spoke to were extremely happy about the results with some participants boosting sales of three hundred dollars and more. They were also very happy with the amount of advertising that Recreation did and loved the fact that we had moved the location for the map sales back to the Community Hall.

CLICKER TRAINING FOR DOGS COURSE-JUNE 10, 2017

Paula informed the committee that the dog training clicker course did not run because of lack of interest. One person registered and paid and one other was interested but did not submit payment. Sophia Power is willing to try to run one again in the fall.

CANTEENS

Arts at the Dock canteen (Marina) will be manned by D. Shaughnessy, S. Cohen, Wilson Moore and M. Cormier. Debbie has requested to do the cash. Mike will be on the BBQ's with Wilson Moore. Tanya and Wilson will be asked to setup the tent the night before with the help of Recreation volunteers. D. Moule has offered to do all the signage at the highway and down to the Village and also to put out the recycling bins. Coolers will be put together the night before and dropped at the site around 10 a.m. Paula will create posters for Laura McRae to post down by the Marina informing the boaters of the upcoming events and to let them know of alternate parking areas. Mike and Wilson will put the new BBQ together and the propane tanks need to be checked.

David will make a couple of wagon stop signs for Arts at the Dock. Mike will bring his trailer to be used for hauling the tables and chairs for ATD.

DUNK TANK

Bruce Mines was very happy with using our dunk tank and besides letting us use their Cotton Candy machine, they have also offered us their deep fryers and made mention that they could also have one of their volunteers come down to our event and operate it for us.

OTHER ACTIVITIES AND IDEAS

Paula brought forward the names of two people that were interested in participating our summer events. One was an Ice cream truck vendor (Pitstop Gas Bar) and one was a summer student hoping to be in Arts at the Dock and selling paintings done by children. The ice cream truck is available for Arts at the Dock, Hilton Beach Classic Car Show and the Can Am Poker Run. The summer student from the Art Gallery of Algoma was not invited to the art show but was asked if he would be interested in coming to Community Night. Sally wanted to have Tanya called to see what her intention was about what was going to be done with the boat planters at Forbes Park. Sally also mentioned that more should have been done when the Voyageurs were at Forbes Park in way of welcoming them to the village.
