POTLUCK- APRIL 29, 2017

“Classic Canadian” brought in \$90.75 in revenue with approximately 36 people in attendance.

HILTON FAMILY YARD SALE- JUNE 24, 2017

Paula will put in a small classified ad announcing the “Save the Date” for the Hilton Family Yard Sale to go into the May 29th issue of the Island Clippings. Julie reminded everyone that the yard sale signs have to be brought into the office. They will be stored in the closet. The banner needs to be put up with a smaller sign attached with this year’s date. This will have to be done by the first of June.

RAFFLE FOR S. ALEXANDER COOKSTOVE

Shane had come into the office the week of May 1st to let us know that he wanted either the Recreation Committee or the Library to raffle off tickets to win an electric cook stove. He said that he had purchased it new off a guy for \$500.00 and if we were to raffle off the stove, he would like to recoup his \$500.00 and the rest could go to Recreation or the Library if they wanted to raffle it off. After careful consideration Recreation has decided not to raffle off the stove. There would be too much work to do the raffle, plus the cost of the tickets and also having to get a lottery license. We would have to have volunteers willing to sell the tickets and the stove would have to be moved out of Shane’s house and stored at the workshop. Paula will let Shane know that we will have to decline his offer.

BASKETBALL NETS

Debbie had contacted Paula about concerns that the basketball nets were not in good shape. Julie and Paula did check out the nets, since they had been replaced last year and found that the netting on one of the hoops could be replaced. The other one is fine.

CLICKER TRAINING FOR DOGS COURSE-JUNE 10, 2017

Paula has contacted Sophia Power from the Sault Kennel Club who was interested in running a dog training course. The course would require clickers for training that can be bought at any pet food store for a small fee. Paula has created the posters for distribution and she will check with the Island Clippings as to the cost of having a small ad put in the classifieds.

OTHER ACTIVITIES AND IDEAS

Julie had asked Sally if she would be fine with running the canteen at the Marina for Arts at the Dock, while Julie and Paula run the canteen at the hall since B.A. Maki will be unavailable this year to help.. Sally was in agreement with that. Paula will call the Township of Jocelyn to ask about the use of their trailer for the day of the art show and will also send a letter. Paula will call Tanya to bring out the bike racks for the season. Julie would like to have recreation clean up and replant the flower boxes in front of Woody's Garage.

Resolved to beautify the flower boxes in front of Woody's Garage.
