HILTON FAMILY YARD SALE- JUNE 24, 2017

Paula has put in a small classified ad announcing the “Save the Date” for the Hilton Family Yard Sale which has gone into the May 29th issue of the Island Clippings. She will also be putting a ¼ page ad into the Clippings for the next two weeks. Mike and Paula will pick up the signs after the yard sale. Julie and Paula will man the sale of the maps in front of the Community Hall. To date we have five people signed up and hopefully with the advertising in the Clippings we will get more registered. Mike, Paula and Julie will start setup of the tent on Friday June 23rd after 4:30. Julie will ask Debbie if she would also be available. Julie and Darren have put up the banner announcing the yard sale.

CLICKER TRAINING FOR DOGS COURSE-JUNE 10, 2017

Paula informed the committee that to date we have only had two inquiries about the course. One person is signed up and the other has yet to bring in payment. In order for the course to run we need four people and a maximum of six.

FORBES PARK-SAND

Julie was wondering if we were bringing on more sand for the park. Paula let everyone know that there has been a load dropped off and it still needs to get spread.

COMMUNITY NIGHT PRIZES

Community Night prizes have been purchased with the exception of the three prizes that we need for Chair and Blanket. Julie has offered to go to the workshop and count how many lollipops we need for the lollipop tree. Paula had seen lollipops at Dollarama that would be more cost effective than the Tootsie Roll pops and they also them at the Wholesalers.

METIS SYCP INVOLVEMENT IN CN

Paula showed the committee the email from the Metis Nation of Ontario Youth Cultural Program stating how they would like to be a part of our Community Night. They would be more than interested in taking part in the parade and afterwards would like to show how they do their crafts and jigging and also some historical presentations. The committee is very excited about this addition to our Community Night activities.

DUNK TANK

Correspondence was received from Bruce Mines about the Chamber of Commerce using our dunk tank for their Canada 150 celebration. Recreation has decided to let them use the tank in exchange for us being able to use their cotton candy machine this year for Community Night.

OTHER ACTIVITIES AND IDEAS

Paula brought forward the names of two people that were interested in buying the old BBQ's from Recreation. The price for each would be \$25.00.

Resolved to sell the older Recreation Committee BBQ's for \$25.00.
