OCTOBER 27 POTLUCK

Setup has been changed to Wednesday, October 24 at 4:30. Paula, Mike and Julie will do setup and Laurel will decorate.

COMMUNITY HALL FREEZER

Paula brought up the need to replace the existing chest freezer in the hall. Not only is it not energy efficient but it also poses a problem for anyone trying to retrieve times out of it because the door does not stay open. It would be better for us to purchase an upright freezer as this would make it easier for all to get items in and out of it.

Resolved to purchase a new upright freezer to replace the old chest freezer in the Hilton Beach Community Hall.

PLAY POWER CANADA- FORBES

Paula had mentioned about a flyer coming in from Play Power a Canadian company that sells playground equipment. The sale is for 40% off and the sale ends December 3, 2018. She contacted the company to find information on safety instructions for installing the equipment and the cost of shipping and handling. Play Power did send back a quote on three pieces of equipment which also included estimated shipping and also the cost of installation. After careful consideration everyone was in agreement that we could not afford the equipment and will have to look at other ways to utilize our funds.

OTHER ACTIVITIES AND IDEAS

Laurel had a few ideas for some new winter activities that Recreation could run. It was mentioned that Hilton Family Fun Day has not run for the past two years because of the warm weather. Julie mentioned also that in order to have these activities we will also need the volunteers to help run these events. Laurel said that when she was in Spragge they had held games like Snowshoe Baseball and Winter Tennis. The other idea she had was for a Sock Hop to be held at the community Hall. We would have to hire a band that would play 50's music.

ADJOURNMENT

THAT the Hilton Beach Recreation Committee adjourn and meet again at 5:00 p.m. on Monday, November 5, 2018.
