POTLUCK- OCTOBER 26, 2019

Paula let the committee know that we raised \$60.00 in revenue and Julie mentioned that only 13 people attended the potluck.

HOLLY JOLLY CHRISTMAS CRAFT SHOW-SATURDAY NOVEMBER 16, 2019

Paula announced that donations collected at the door were \$706.60. This amount is up from last year and will be split between the Museum Board and the Hilton Beach Recreation Committee with each getting \$353.30. The Library Board ran the canteen and although the canteen was busy, Donna Smith mentioned that the revenue did not reflect just how busy they were. Ruth Wigmore left some drawings for recreation to look at involving putting a shelf downstairs on the wall to be used by the participants to display their wares. Recreation does not feel that there should be a shelf and as with any other participants in either the Christmas show or Arts at the Dock, they should be responsible for their own way of displaying their crafts or art. The cost to make this shelf is not worth it for a one day event. Paula will put up on the website, the photos taken of the craft show that day. The event was well attended with some participants having record sales. Some participants mentioned that it would be nice to have some music in the background.

CHILE CONTEST POTLUCK-NOVEMBER 30, 2019

The potluck was successful with 26 people attending and donations received were \$85.00. The winner of the contest was Daniel Terozzo and Paula will put that up on the recreation Facebook page.

SENIORS CHRISTMAS LUNCHEON-DECEMBER 2, 2019

We had a total of 84 people in attendance which included the volunteers. Volunteers this year were Pat Davey, Dana Stevens, Lorraine Grant, Donna Berry and the Recreation Committee. Thank you everyone for all your help and to the ones that helped clean up after the event and to those that want to remain anonymous. Val Fiegehen mentioned that for next year we could ask for donations of baking instead of purchasing our treats. Dana Stevens mentioned that she would donate baking also. Julie mentioned cutting back by two loaves of bread next year to cut down on waste. The soups were

a hit and the amount made was perfect. Laurel had said that the scoop for the egg mixture was too much so we will use a smaller scoop next year.

CAR SHOW PORTA POTTIES

The cost to have two porta potties brought in for the 2019 Hilton Beach Classic Car Show was \$434.82 in total. Recreation feels that money would be better spent on more signage than to have the porta potties brought in again.

Resolved to not have Your Place Jon Porta Potties for the 2020 Hilton Beach Classic Car Show.

CARRIED

HIGHWAY 548 BANNER

The Special Events Committee and the Hilton Beach Recreation Committee is looking at having a dual banner made to include both the Arts at the Dock event and the Classic Car Show event. Currently we only have a banner for the Arts at the Dock. Paula has contacted Classic Signs for a quote as to what it would cost. The banner would be 4' by 19' with re-enforced corners and stitching and would be made of 15 oz heavy duty vinyl. A single sided banner would cost \$550.00 and a double sided banner would cost \$675.00. Recreation feels that we should get the double sided banner. The side for people coming onto the Island would feature the Arts at the Dock logo with a caption underneath saying "Third Sunday in July" just like the original one. The logo for the Hilton Beach Classic Car Show would have the caption underneath saying "Fourth Saturday in July" and in between the two logos we would like to see the Hilton Beach logo. We would like Councils direction as to what should be on the back of the banner when people leave the Island and any other ideas they may have would be appreciated. Classic Signs also gave a quote to have their bucket truck install the banner. Cost which includes travel and labour would be \$350.00 plus HST. Julie will look into what Travis Oiumett would charge and Paula or Mike will contact Lorne Barlow to see what price he can come up with. We would like to have the banner up as early as possible to cash in on the advertising generated from it. The banner would come down after the Classic Car Show to give the new Community Night Committee time to put up their banner should they choose to do so. Recreation would also give the Community Night Committee the names of their bucket truck contacts.

HOT DOG MACHINE

Robert Hope sent an email, which Paula presented to the committee, letting her know that Snap On tool vendor had a hot dog cooker machine for \$595 complete with bun warmer. He would also generously donate \$50.00 to the purchase of it should we decide that we wanted to purchase it. Julie first asked the committee if we actually needed a hot dog cooker. Paula mentioned that the only reason that we used the one we had, was because it was there and after it had gone missing we moved from hot dogs to selling sandwiches and soup at Arts at the Dock, to find that patrons were happier with that food choice. Mike had gone on Amazon to find a hotdog cooker for \$189.99 plus HST that had fantastic reviews. It did not come with a bun warmer, but we felt that we didn't need that feature anyways. Recreation was totally in agreement that we really didn't need the hot dog machine replaced. We would like to thank Robert Hope for thinking of us and for his generous offer.

HILTON FAMILY FUN DAY-MONDAY, FEBRUARY 17, 2019

Julie bought up that we have had to cancel the Hilton Family Fun Day for the last two years due to the warm weather. We now do not have anyone to prepare the rink or run the games. We are looking at

organizing an indoor event at the hall this year. This event would feature painting class, board games, craft tables etc. Mike mentioned trying to get a Wii machine up and running so the children could play Mario Kart or Donkey Kong. Sally said that she would go on Pinterest to see what craft ideas should could find. Paula is willing to run the paint class. We would like to see the parents participate with the children and perhaps help with the activities. Mike mentioned setting up the ring toss game. Recreation would provide food and refreshments. We will discuss this further at our next meeting.

ADJOURNMENT

THAT the Hilton Beach Recreation Committee adjourn and meet again at 4:30 p.m. on Tuesday, January 7th, 2020.
