

The Council of the Village of Hilton Beach would like to announce the retirement of both our Clerk-Treasurer, Peggy Cramp and our Deputy Clerk-Treasurer Paula Cormier. As a community, we meet the departure of these great women with mixed feelings. Naturally we are very excited for them both as they move onto another phase of their lives, and yet we are very sorry to see them go as they have been the backbone of this local government for the better part of a decade.

Thank you Peggy and Paula for the care and concern you have shown this community both in and out of the office. No one will ever know the countless hours you selflessly spent ensuring the success of the village as a whole. Enjoy your well-deserved leisure time with family and friends!
